The Diverse Academies policy on [safeguarding](#) sets out the trust's approach to allowing providers into the academy as visitors to talk to our students.

### **3 Premises and facilities**

3.1 The academy will make the main hall, classrooms, private meeting rooms or other areas available for discussions between the provider and students, as appropriate to the activity. The academy will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with Mel Shuttleworth or a member of the careers team.

3.2 Providers are welcome to leave a copy of their prospectus or other relevant course literature at the careers office, which is managed by Mel. The careers office is available to all students at lunch time and break time.
