1 Introduction

1.1 Rationale and Context for CEIAG

A young person's career is their pathway through learning and work. All young people need a planned programme of activities to help them make 14-19 choices that are right for them and to be able to manage their careers throughout their lives. Schools have a statutory duty to provide careers education in years 7-11 (Sections 42A (amended by the Careers Guidance in Schools Regulations 2013), 42B and 45A of the Education Act 1997; Section 72 of the Education and Skills Act 2008; Schedule 4 (15) of the Schools Information (England) 2008) and to give students access to careers information and guidance.

1.2 Commitment

Retford Oaks Academy is committed to providing a planned programme of Careers Education for all students in years 7-13 and impartial Information, Advice and Guidance (IAG) to all students.

Retford Oaks Academy aims to provide a programme of CEIAG that is stable, structured and delivered by individuals with the right skills and experience. To achieve this aim we use the Gatsby Charitable Foundation's Benchmarks to develop and improve our careers provision and other relevant guidance and recommendations including Careers Guidance and Access for Education and Training Providers; Statutory guidance for governing bodies, school leaders and school staff, (October 2018) and other relevant guidance from the DfE, QCA, Ofsted and CDI. Retford Oaks Academy believes that CEIAG is a process concerned with long-term decision making and planning, not simply first destinations. Careers Education is an entitlement and an essential part of the curriculum. It should be accessible, impartial and focused to the individual.

Retford Oaks Academy aims to introduce students to the knowledge and skills relevant to adult life and employment in a fast changing world and to prepare each student for continuing education, training, working and non-working activities. Careers Education and Guidance is an essential part of the Personal Development curriculum.

The Retford Oaks Academy policy is to provide a coordinated programme of Careers Education, Information, Advice and Guidance for all pupils throughout the Academy. This includes access to up-to-date Labour Market Information (LMI), experience of work, access to individual guidance, the recording of achievement and planning for the future. A review

and evaluation process is conducted annually by the Retford Oaks Academy review system.

CEIAG lessons are part of the Academy's Personal Development programme. Other focused events (e.g. Enterprise Days) are provided. Students are actively involved in the planning, delivery and evaluation of activities.

3.3 Resources

Funding is allocated in the annual budget planning round in the context of whole school priorities and particular needs in the CEIAG area. The Careers Leader is responsible for the effective deployment of resources. Sources of external or matched funding are actively sought.
