

Year 9 Options – Provisional choices

Name	
Tutor group	
Compulsory subjects: English Language and English Literature, Maths, Combined Science and RE.	

From **ALL** the subjects below, please clearly state your **four** preferred choices of courses to study, label these 1 – 4, with 1 being your first choice. Please also select one additional reserve choice—label this **R**.

Remember: It is expected that the majority of students will complete the full EBacc course. This involves students following: English, maths, at least two sciences, one humanity subject (geography or history) or computer science and one modern foreign language.

Please note, these choices at this stage are purely **provisional** to enable us to gauge demand for subjects in order to create a timetable which enables the maximum number of students to study their chosen courses. You must note that choices at this stage are not necessarily the subjects you will study in year 10 and 11.

Make 4 choices from the full list below. Your reserve choice can be made from either section			
EBacc subjects You <u>must</u> select at <u>least one</u> from this column		Non EBacc subjects Make your remaining choices from this column
